

Video: **Trick\$ of the Trade: Outsmarting Investment Fraud**

A one-hour documentary on preventing investment fraud. Utilizing compelling stories of victims and perpetrators, the video uncovers the persuasion tactics that con artists use to defraud their victims and provides the basic tools investors can use to defend against fraud.

This documentary was developed by the FINRA Investor Education Foundation, in partnership with AARP. To view the trailer preview, simultaneously press the **Ctrl key and left click** of your mouse on the following link:
